

Mission Statement

The Association for the Study of the Worldwide African Diaspora (ASWAD) is a not-for-profit, tax deductible organization of international scholars seeking to further our understanding of Africa and the African Diaspora, that is, the dispersal of people of African descent throughout the world. Through the examination of history, dance, anthropology, literature, women's studies, education, geology, political science, sociology, language, art, music, film, theater, biology, photography, etc., we seek to share the most recent research both within and across disciplinary and other conventional boundaries. We seek to do this by way of conferences and symposia held periodically, as well as through publications. In addition, we look for ways to share our work with students and the general community. All who share such interests are welcome to join ASWAD.

Article Three The Executive Board

SECTION 1. BOARD MEMBERS.

The Executive Board shall consist of no more than twenty (20) persons, including: a President, a Vice-President, a Secretary, and Treasurer.

Members of the Executive Board shall serve for one term of six (6) years. (Note: Those voted to the Executive Board in the 2005 election will have the option of serving only four years.) Individuals may stand for election to serve a

The years served in this term count towards the twelve-year limit. Graduate student members should be active members of ASWAD but are not required to have attended a prior conference. Prospective graduate student members must be nominated by an existing Board Member, who must provide the nominee's CV and a statement of support no longer than 500 words. If, after completing their degree, a former graduate student representative would like to stand for

election to the Board as a regular Board member, the two years spent as a graduate representative will not count towards their twelve year limit.
